+++
Pursue

Pursue offers a unique variety of skincare products. The Colostrum Mask, made from grass-fed cows is hormone-, pesticide- and antibiotic-free. The growth factors found in the mask stimulate skin cells to replace damaged cells and restore skin's thickness. The mask promotes rapid healing of skin conditions such as inflammation and eczema as well. To view the full line, visit www.pursueskincare.com.

+++
Kai Linen Spray

Kai's philosophy that beauty lies in the simplest and purest things is proven in their pleasantly intoxicating fragrances. The exotic scent of Kai is blended into a light and airy home spray. Use in any room of the house or spritz on your bed sheets. To purchase or view the full collection, visit www.kaifragrance.com.

+++
A Very Special Heart

Give a gift that will warm and help protect Mom's heart this year. The Very Special Heart is a glamorous key-chain or necklace that allows the recipient to keep an emergency dose of medication inside the locket as well as a USB drive containing a full medical history, drivers license info and more by uploading it using A Very Special Heart's easy software. Find it at www.averyspecialheart.com.

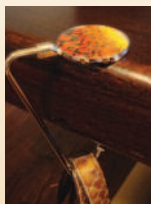

+++
Dr. Rey Shapewear

Dr. Robert Rey of the hit series Dr. 90210 has introduced a line of lingerie aimed at enhancing a woman's natural assets. Dr. Rey's plastic surgery expertise combined with Australian lingerie designer Bruno Schiavi's shapewear knowledge helped the duo create the perfect alternative for a woman wanting to change her shape without going under the knife. Available at Sears: www.sears.com.

+++
Purse Butler

Purse Butler's unique purse hangers allow you to keep your prized possession bag off the ground. Choose from a variety of beautiful designs or customize your own hanger at www.thepursebutler.com. The hanger can hold up to 25 pounds for those purses that double as suitcases! And the Purse Butler donates 3 percent of post-tax profits to charity.
